

Helping victims of
HATE CRIME

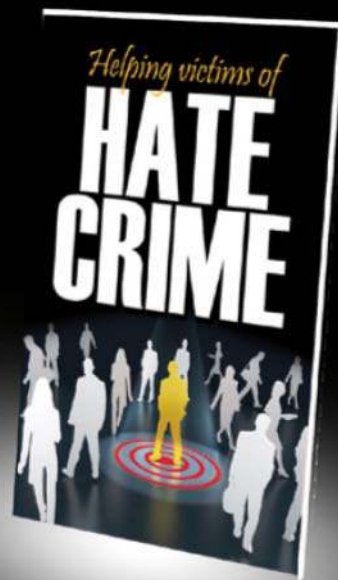

The most comprehensive pocket size book which informs, helps and supports victims of hate crime, encouraging them to report incidents

Introducing the most comprehensive pocket size guide book for victims of **HATE CRIME**

THE BENEFITS OF THIS BOOK ...

- ✓ The book encourages reporting of incidents to the police and various third party reporting sites, which together with the advice on keeping safe, will help reduce repeat cases of hate crime.
- ✓ The book demonstrates your support for victims of hate crime, by providing them with valuable information on a variety of related topics, and sign-posts them to various local and national support services.
- ✓ The book provides information to other vulnerable groups such as gypsies and travellers, as well as asylum seekers and refugees in four languages. The book also includes a section on school hate bullying.
- ✓ The book compliments the Cross-Government Action Plan on Hate Crime, by encouraging more reporting of incidents, preventing their escalation in seriousness, and improving access to victim support.
